Dear Dr. McAllister,

Richard Kolodner and I want to thank you for your pledge of \$2500.00 to support the FASEB Conference on Genetic Recombination and Genome Rearrangements to be held July 9-14, 1989 in Copper Mountain, Colorado. Your generosity will enable us to invite speakers who would otherwise not be able to come. Your company's contribution will be acknowledged in the Conference program. I hope that scientists at your company will consider attending this meeting. The program and application form will appear in the February 1989 issue of Federation Proceedings.

When you send your contribution, please make it payable to FASEB and designate somewhere on the check that it is for the Genetic Recombination Conference. It would save time if the check were sent directly to

Ms. Marilyn Marsh

FASEB
9650 Rockville Pike

I will send FASEB a copy of this letter and a copy of your original pledge letter to alert them to expect your contribution.

Once again, thank you for your consideration: we are grateful for your support.

Sincerely,
